Bochum

Co-learning

Meet new people
Learn together
Hack together
Find help

Show us what you are hacking on

Short presentations of ~5 min
How to get started?

- ❏ Find co-hackers, sit together

- ❏ Don't <u>install nix</u> via your package manager!

- ❏ Starting points <u>on our GitHub page</u>

- ❏ Matrix room <u>#bochum:nixos.org</u>

Pizza.

Any cloud. Always encrypted.

Eliminate infrastructure risks with leading solutions for confidential computing.

Book a demo | **Discover Constellation**

Your Kubernetes
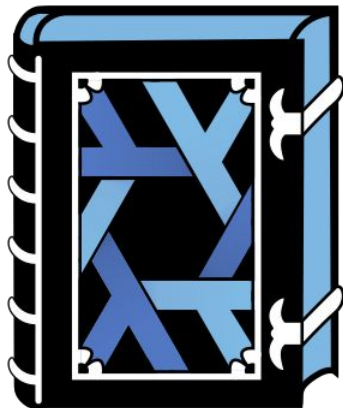

aws | Google Cloud | Microsoft Azure | openstack.

Edgeless Systems is hiring working students! Talk to Paul.

Nix is hard.

Keep going. Ask questions.

Next meetup: 22.02. ✨
